# Collaboration

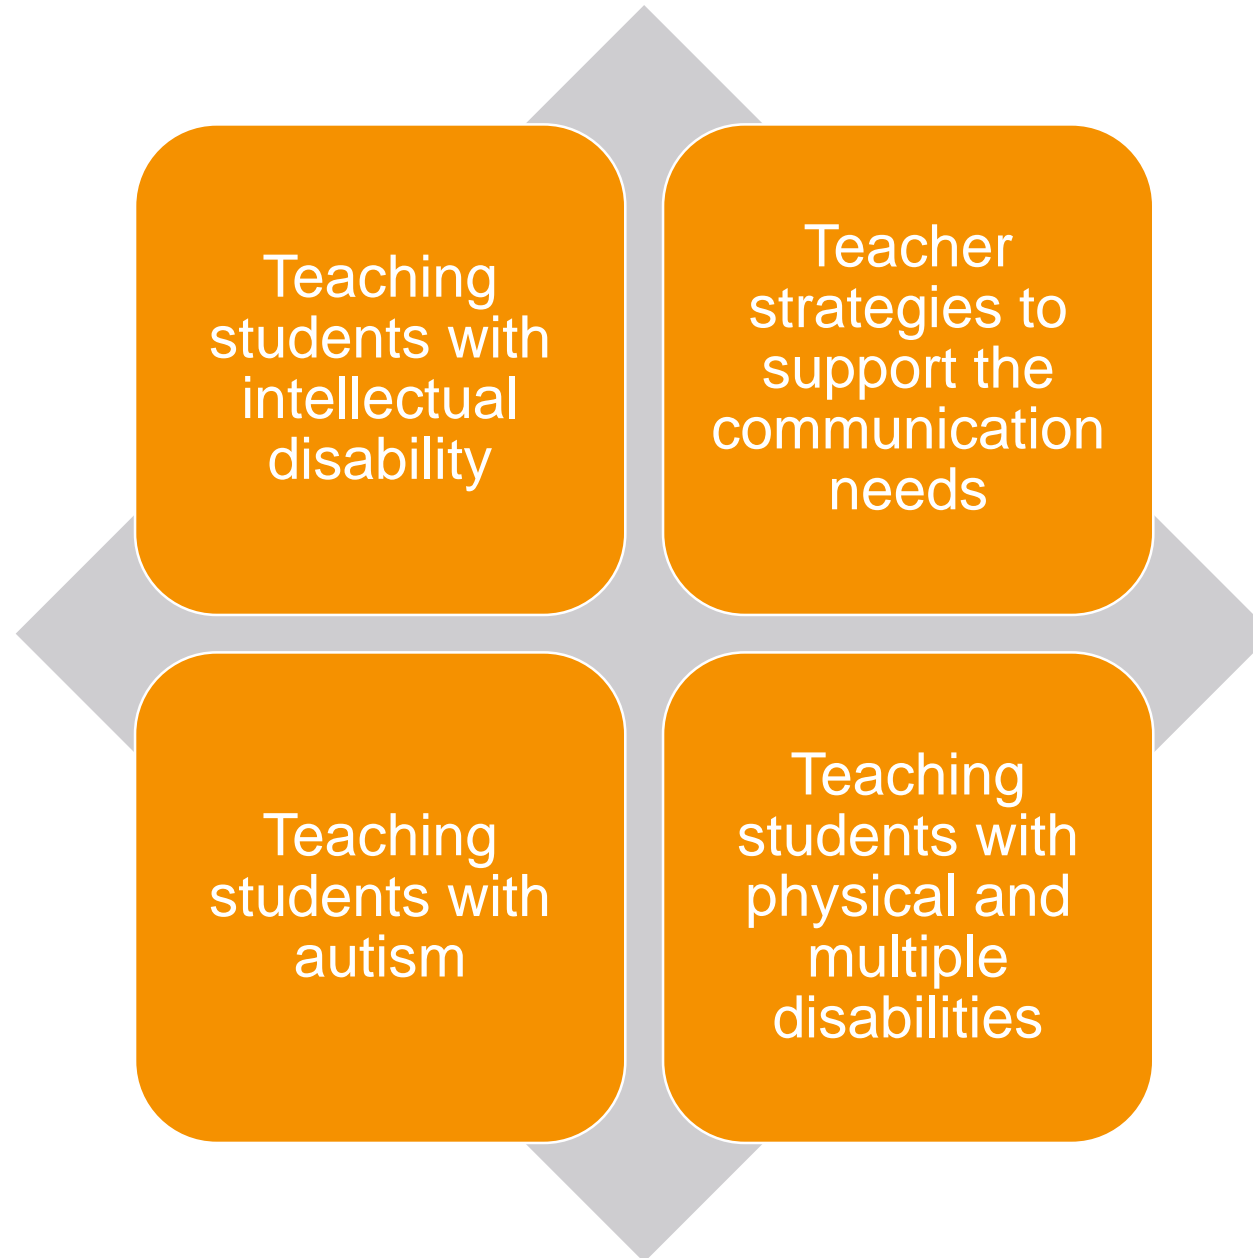

# USQ UpSkill

Professional learning for the 21st Century

## USQ UpSkill ensures study is practical for your career and for you

The University of Southern Queensland offers online minicourses of approximately 30-80 hours of learning over a three to six week duration (depending on the specific minicourse). You can access your minicourse anywhere, meaning you can gain credentials as you get to work each day, while sitting on your couch at home, or any time in between.

**Each minicourse:**

**Four weeks**

**Online live sessions**

**Assessment**

# Teaching students with intellectual disability

Learner profiles
