Impact and Influence: Your Guide to **Leading with Confidence**

Join us for a transformative day of leadership development customised specifically for QASEL members. Through two focused workshops, you'll further develop the skills to lead with **greater impact, confidence and purpose.**

Workshop 1

Building Influence with Teams

Ready to amplify your leadership impact? As special education leaders, our teams look to us for direction, support and inspiration. This dynamic session reveals how to **build positive team cultures** that drive exceptional student outcomes. You'll discover practical strategies to **enhance your influence, build team culture and create lasting positive change in your setting.** Perfect for leaders ready to transform team dynamics and create a lasting leadership legacy that makes a real difference.

Workshop 2

Leading Up with Confidence

Want to be a more compelling voice for special education in your organisation? This engaging session equips you with the tools to **communicate upward with impact and advocate effectively for your team and students.** Learn how to expand your influence and transform challenging conversations into opportunities for positive change. Ideal for leaders looking to strengthen their strategic influence and drive meaningful improvements in special education.

At **Well-Nest**, we partner with educational leaders to create space for reflection, clarity and purposeful growth. Through transformative coaching and interactive professional development, we support leaders in **building positive team cultures** while maintaining **collective wellbeing.** Our mission is simple: equip and empower educational leaders at every stage of their journey, helping them navigate complex roles with confidence and purpose.
